Points discussed were as follows:

1. A query was raised by one firm that EPF can be deposited for any employee having salary less than Rs. 15000/- so what will happen in case of super skilled employees for which the Institute has given a daily wage rate of Rs. 700/-?

Reply: In such case EPF could be deposited up to upper ceiling of the salary or such cases will be dealt with provisions given in the rule.

2. How to quote price bid and what will happen in case somebody quotes zero per cent service charge?

Reply: Service charge can be quoted in price bid only. Zero per cent service charge cannot be reasonable and so such bids will be liable to rejection.
